### FINANCIAL POLICY

#### **A. Patients with dental insurance:**

We currently accept most private care insurance plans. This means that we work with literally thousands of companies. Although we can maintain computerized histories of payment by a given company, they do change. Therefore, it is impossible to give you a guaranteed quote at the time of service. We estimate your portion based on the most up-to-date information we are given by your insurance representatives, but it is important to be aware that it is **ONLY AN ESTIMATE**. There may be exclusions that we are not aware of. On each visit, you will be required to pay your estimated portion of your charges for services rendered and any deductibles. If there is a discrepancy between our estimate and what the insurance actually pays, you will be billed the difference.

We bill your insurance as a courtesy. If your insurance does not pay within 90 days, we reserve the right to request payment in full for services from you and let you directly collect the insurance funds that are due to you. This is rare, but it is important that you recognize that the insurance you have is a legal contract between YOU and your insurance company. Ultimately, you are responsible for all charges incurred in our office.

#### **B. Patients without dental insurance:**

We request payment in full for services rendered at the time of treatment. For patients with large treatment plans, financial arrangements are available. Feel free to ask any questions that remain unanswered either before or after treatment.

We welcome you to our family and look forward to helping you get the healthy, beautiful smile you've always wanted. If there is anything we can do to make your visits here more pleasant, please don't hesitate to ask one of our staff members.

*I have read, understand, and accept the terms of the above outlined policies for financial commitments that I may incur as a result of treatment at this office.*
